

## **Gymboree Munich - Hygiene Plan**

**1. September 2020**

### **SAFETY HYGIENE MEASURES:**

Due to the ongoing Covid-19 pandemic, our team has created an updated hygiene plan. Our hygiene plan is based on the compulsory hygiene plan for Kitas/ Daycares of Bavaria. We kindly ask that you to adhere to the policies below:

1. Classes must be pre-booked. No drop-ins are permitted as we must trace all contacts.
2. If you and your family (or your nanny/ child carer) have visited a Corona risk area (see current RKI risk areas here: [https://www.rki.de/DE/Content/InfAZ/N/Neuartiges\\_Coronavirus/Transport/Archiv\\_Risikogebiete/Risikogebiete\\_26082020\\_en.pdf? blob=publicationFile](https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Transport/Archiv_Risikogebiete/Risikogebiete_26082020_en.pdf?blob=publicationFile) ) please inform us by email and send us your negative Corona test result. If you are not able to show a negative Corona test we ask you to not come to Gymboree but rather to quarantine for 14 days, as demanded by the Bavarian state authorities. After the quarantine, please inform us when you are coming back. Any missed classes can be made up later.
3. Do not come to class if you, or your child feel ill or showing any signs of Covid19 symptoms like: fever, diarrhea, strong stomach ache, strong headache, throat- or ear pain or strong cough.
4. Always wear your mask in our reception area (adults only and kids from 6).
5. Wash your and your child's hands upon arrival. For adults only we also offer a hand sanitiser on the left side of our bathroom entrance.
6. Check in at the front desk and collect your nametag.
7. A maximum of 5 parents are allowed in our reception area at all times. We have spread the timing of our classes out to secure less families are in our reception area during coming and leaving time in between classes. Kindly wait outside in front of the door while coming to class or wait on our spacious playfloor before entering the reception area after class, should this number have already been reached.

8. Please respect social distancing guidelines by maintaining a 1.5 meter-distance from other parents and children (families) while you are visiting our classes.
9. When you arrive at Gymboree please follow the below steps:
  - Step 1:** park your pram/stroller outside in the designated areas. Ensure you bring a lock. No prams/strollers are allowed in our reception area.
  - Step 2:** adults need to wear a mask in the reception area and bathroom only. Children 5 years and under do not have to wear a mask.
  - Step 3:** remove your shoes and those of your child and put them in a cubby hole. Parents must wear socks on the playfloor.
  - Step 4:** check in at the front desk and receive your nametag.
  - Step 5:** wash/sanitise your hands. We have a non-touch hand sanitiser beside the playfloor. We also have non-touch soap and hand towel dispensers.
  - Step 6:** move immediately onto the playfloor/into the art/music room. You may remove your mask once you are on the playfloor/in the art/music room.
10. If your child is doing a drop-off class, please remove your child's outerwear and deliver your child to his/her Play Leader and leave Gymboree immediately. During drop-off and pick-up, a maximum of 5 parents are allowed in our reception area. Kindly wait outside, should this number have already been reached.
11. While we know that our waiting area is a suitable space to catch-up with other parents, feed your kids and the like, you will not be able to do this at the current time.
12. Personal toys are to be left at home and not brought onto the play floor or into the art/music room.
13. We are offering Open (Play) Gyms. However, please be advised that these are limited to 10 children and must be booked in advance via Teamup ([www.goteam.com](http://www.goteam.com) or the app: TeamUp Members).

Thank you very much for obeying these rules. Stay healthy and play healthy!

**Your Gymboree Munich Team**
